

REMARKS

Applicant has amended the claims such that they correspond to the claims which have been allowed by the British Examiner in the corresponding British application. As Applicant is not aware of any prior art which would anticipate or would render obvious the claims defining the present invention, early allowance is respectfully requested.

Should the Examiner have any questions regarding this Amendment, the Examiner is invited to contact one of the undersigned attorneys at (312) 704-1890.

Respectfully submitted,
